

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant(s)	:	Oleg Ilich Epshtein
Title of Invention	:	A Medicinal agent and method for curing erectile dysfunction
Date Filed	:	January 22, 2005
Serial No.	:	10/522,650
Examiner	:	Dr. Ouspenskii, I.
Art Unit	:	1644

**DECLARATION UNDER 37 CFR 1.132**

I, Alexander M. Dygay, do hereby declare as follows:

1. My name is Alexander Mikhailovich Dygay. I am the Director of the State Foundation Scientific Research Institute of Pharmacology of Siberian branch of Russian Academy of Medical Sciences. I reside at 634034, Russia, Tomsk, ul. Kuznetsova, 15-14.
2. I am a named co-inventor in the above-identified application.
3. I am aware that the other named co-inventors of the above-identified application are Oleg I. Epstein and Evgeny D. Goldberg.
4. The invention relates to homeopathically activated (or "potentiated") form of polyclonal antibodies to endothelial nitric oxide synthase.
5. Based on personal knowledge, I do hereby declare that the potentiated form of polyclonal antibodies to endothelial nitric oxide synthase were invented solely by Dr. Epstein, without participation of myself or Evgeny. D. Goldberg.

All statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or

imprisonment; or both, under Section 1001 of Title 18 of the U.S. Code and that such willful false statements may jeopardize the validity of any patent application issuing thereon.

Dated: November 12, 2009

A handwritten signature in cursive script, appearing to be "D. J. [unclear]", written in dark ink.
